

Metro Water Services – Current Street Sweeping Schedule

Metadata

Metropolitan Government of Nashville and Davidson County

What's in this dataset?

Locations and dates of the current month when specific sections of a street will be swept by Sweeping Corporation of America, the current Metro Water Services street sweeping vendor.

Category:	Beautification
Keywords:	street, road, sweeping, cleaning, water
Data Provided By:	Sweeping Corporation of America, via Metro Water Services
Source:	Sweeping Corporation of America internal systems
Time Period:	Current month
Update Frequency:	Monthly

Additional Information

How is this data collected?	Data is generated from vendor internal systems and provided to Metro Water Services and Metro Open Data Team monthly. Data is considered accurate at the time it is provided and is checked by the vendor.
What does each record represent?	A section of street that will be swept
What are the limitations of the data?	There may occasionally be delays in data availability depending on when the vendor provides the data to Metro Water Services and the Open Data Team.
Additional comments:	None
